Important information

COVID-19

We're taking all measures necessary to make sure you're protected during your flight. Please visit our [COVID-19 information hub](#) to find everything you need to know when preparing for your flight. Before you travel check the [exit and entry requirements](#) of the country you are departing from and arriving in.

Check-in

Find out how you can [check in for your flydubai flight](#). Our online check-in is available between 48 hours and 75 minutes before the flight departure time (from selected destinations). If you choose to check in online, please note that due to changes in passenger procedures, you'll still need to go to the airport check-in counter for us to verify your travel documents and issue your boarding pass. You'll need to arrive at the airport at least 3 hours before departure. Check-in closes 60 minutes before departure, boarding starts 45 minutes before your flight and boarding gates close 20 minutes before flight departure time. If you arrive late, you will not be accepted onto the flight.

Manage booking

You can use '[manage booking](#)' to change your travel dates, add or remove a passenger, upgrade to Business Class or simply add optional extras. Please check the fare rules attached along with your booking confirmation to see the fees applicable for changing or cancelling your flight(s). If your booking was made through a travel agent, please contact them directly to make changes to your booking. If you're booked as part of a group, please check with the group organiser for details on the fare rules, as they may differ from those listed on flydubai.com. For special service requests with our partner airlines please visit the partner airline website or contact their call centre.

Baggage allowance

Hand baggage rules

You can carry one item of hand baggage weighing no more than 7 kg in Economy Class and two items of hand baggage with a combined weight not exceeding 14 kg in Business Class. Each item of hand baggage has to be smaller than 55 cm x 38 cm x 20 cm and you must be able to lift your own hand baggage into the overhead locker. In addition, you can carry one laptop bag, one small handbag/satchel (not exceeding 25 cm x 33 cm x 20 cm) or one duty free shopping bag. If the storage available on board your flight is limited, you may be asked to check in your hand baggage at the boarding gate. Hand baggage exceeding the permitted allowances must be checked in and the relevant baggage fee will apply.

Checked baggage rules

You can check in up to 3 pieces of checked baggage with a combined weight not exceeding the baggage allowance in your booking confirmation. Each piece of baggage has to weigh less than 32 kg and shouldn't be larger than 75 cm x 55 cm x 35 cm.

For more information on forbidden items, sports equipment, airport baggage rates and more, please check [flydubai's baggage guidelines and policies](#).

Credit card payment

If you paid for your booking using a credit card, you'll be asked to present the same credit card at check-in. If your booking was paid for with someone else's credit card, we'll need to see a photocopy of the front of the card and a photocopy of the cardholder's passport. If you are unable to present these documents, you won't be allowed to travel, and we won't be able to offer you a refund.

A credit card can't be used to pay on behalf of someone else travelling to or from Bangladesh, Ethiopia, Nepal, Pakistan, Sri Lanka, Sudan and South Sudan.

flydubai flights operated by Smartwings

Please note that this flight may be operated by Smartwings between 17 November 2022 and 30 March 2023. More information is available on the [Operational updates](#) page on flydubai.com.

Transferring between Dubai International (DXB) and Dubai World Central (DWC) and vice versa

If your travel itinerary requires a transfer between the airports in Dubai, you'll need to enter the UAE (clearing customs and immigration) and collect your checked baggage. Please check whether you need a visa to enter the UAE and ensure you have sufficient time to travel to your departure airport.
